

CD Construction Group Key People

Our team currently consists of a full time staff of around 40 highly skilled project managers, site managers, site engineers, foreman, tradesman and administrators, all of whom are active participants in the ongoing development and success of the business.

Our team of dedicated employees has always, and will always be our most valuable asset and one of our major points of difference.

Key People

Darren Cook *Senior Project Manager - Retail*

Darren has been with us for 5 years now and is a qualified Shop fitter/Joiner and Builder. Darren has over 25 years experience in Retail projects having worked for the likes of Coles Myer, Starbucks and TabCorp prior to joining us in 2003. Darren's exceptional construction knowledge, unbridled passion and detailed understanding of Retail make him an invaluable member of any Clients Delivery team.

Danny Kwon *Project Manager*

Danny has been with us for 3 years now and in this time has delivered projects across the Retail, Commercial and Heritage sectors. Danny's attention to detail and exceptional Client focus have made him a Client favorite.

Brad Reynolds *Project Manager*

Brad has an Honors degree in Civil Engineering from UNSW. Brad has over 10 years construction experience during which time he has worked in Sydney with Lend Lease and Mirvac, whilst also spending 2 years working in the UK. Brad has a vast construction knowledge and specialises in Commercial and Residential projects.

Omar Kamand *Company OHS&E Manager, Site Manager*

Omar has been with the group for almost 10 years now and has progressed from an apprentice carpenter to Site Manager, and has recently taken up the additional role of the OHS&E Manager for the business. Omar is a qualified Carpenter, Architectural Draftsman and is also currently completing his Building Diploma.

Omar is an exceptional asset to our organisation and more importantly to any project team as his work ethic, attitude and attention to detail are second to none.

Matthew Battam *Operations Manager - Carpentry Division*

Matthew has been employed with the group for over six years now. Having started out as a casual labourer whilst he completed his studies in a Bachelor of Science degree, Matthew has since completed his carpentry apprenticeship and is currently completing his Bachelor of Construction Management degree part time.

Matthew manages a full time carpentry crew of no less than 25 people on a day to day basis, liaising with Clients, Trade Unions, Suppliers, Consultants and the like in order to successfully manage and deliver our subcontract works to the highest of standards.
